Reporters should email press@epa.gov. Public inquiries can be directed to this web page, which contains a hotline number and a web form.

Subject: EOC question

Our leadership wants to send a note to ALL OECA telling folks to forward any inquiries we get to the EOC (202-564-3850). Should we include a sentence about if they get calls from reporters, to send them to a different number, or is it the same one? Please let me know ASAP, as they want to send a note this afternoon.
